

SPIRIT OF ARABIA

We celebrate the diversity of the region, from the traditions of Emirati culture to the dynamism of its futuristic cities

SCALING NEW HEIGHTS

Based between Beirut and Sydney, award-winning designer Tarek El Kassouf works in three disciplines: architecture, urban planning and product / furniture design. His towering brass Fractures lamps explore scales and structures, and are touch sensitive. *The Fracture lamp, Dhs24,000, by Tarek El Kassouf. Available from Cities, The Dubai Mall and The Galleria Mall, Dubai.*

MAKE A STATEMENT

Architect and interior designer Jafar Dajani creates harmonious spaces while adding a pop of colour, texture and wonderfully bold, whimsical pieces. This outdoor space features furniture by some of the most famous designers in the world. *Nemo Armchair*, POA, by Fabio Novembre for Driade; *Masters chair*, Dh\$1,100, by Starck for Kartell; *Tron chair*, POA, by Dror for Cappellini at Poltrona Frau Group ME; and *Bong side table*, POA, by Cappellini for Poltrona Frau Group ME
